Amplifying and assessing your community engagement

WHAT IS THE CIVIC 50 GREATER PHILADELPHIA...

The no-cost Civic 50 self-assessment and benchmarking tool gives participants key insights into their own community engagement efforts, along with a deeper understanding of how these activities align with best practices in the field and those undertaken by similar organizations.

WHAT ARE THE BENEFITS TO A PARTICIPATING ORGANIZATION...

The Civic 50 Greater Philadelphia looks at an organization's volunteerism, monetary contributions, in-kind goods and services, and public leadership and advocacy. Recognizing that organizations have different levels of resources and capacity, overall scoring and the top 50 list are broken down by small, medium, and large-sized organizations.
